A little bit about Madison...

Madison, also known as Maddy, is a sweet and fun-loving little girl! She enjoys swimming, crafts, movies and playing xBox. She especially loves animals... she has horses, dogs and a rabbit, and would be happy to tell you all about them.

For her wish, Maddy wanted to be able to shop for “Little Pet Shop” toys. This coming winter, Maddy will be travelling to Calgary to shop at her favourite stores at CrossIron Mills! She is excited to have this wonderful opportunity.
